Date Supervision Expires: August 30, 2026

---

---

**NONCOMPLIANCE SUMMARY**

The offender has not complied with the following condition of supervision:

**Violation Number**      **Nature of Noncompliance**

1

**Special Condition #1:** You must totally abstain from the use of alcohol and illegal drugs or the possession of a controlled substance, as defined in 21 U.S.C. § 802 or state statute, unless prescribed by a licensed medical practitioner; and any use of inhalants or psychoactive substances (e.g., synthetic marijuana, bath salts, etc.) that impair your physical or mental functioning.**Supporting Evidence:** Mr. Chavez is alleged to have violated his conditions of supervised release by consuming marijuana on or about December 8, 2021.

On September 8, 2021, conditions of release were reviewed and signed by Mr. Chavez, acknowledging an understanding of special condition number 1, which requires him to abstain from consuming marijuana.

On December 8, 2021, Mr. Chavez reported to Merit Resource Services (Merit) and provided a urinalysis (UA) sample that tested presumptive positive for tetrahydrocannabinol (THC). The sample was sent to Alere Toxicology Services, Incorporated, for confirmation. While at Merit, Mr. Chavez signed an admission/denial form denying he consumed THC.

On December 13, 2021, this officer contacted Mr. Chavez by telephone and asked about the presumptive positive UA for THC. Mr. Chavez admitted he consumed THC by inhaling from a marijuana joint.

**U.S. Probation Officer Action:**

It has been made clear to Mr. Chavez that his behavior is unacceptable and is in violation of his supervised release conditions for consuming THC.

Prob12A

**Re: Chavez, David**

**December 13, 2021**

**Page 2**

Mr. Chavez was reminded of the potential consequence of continued violation behavior. Mr. Chavez has accepted responsibility for his actions and agreed to make better choices in the future about the people with whom he is socializing.

Mr. Chavez discussed the relapse with his substance abuse counselor, and they have created a treatment plan focused on relapse prevention. Mr. Chavez will remain on the colorline system with Merit providing at least two random UAs a month. Mr. Chavez remains fully employed at Shields Bag & Printing Company.

Based on the above information, this officer recommends no action be taken at this time. However, should Mr. Chavez have future failures to comply, he will be referred to the Court to address his behavior.

I declare under penalty of perjury that the foregoing is true and correct.
